

## Reduced District Tax Will Offset Raise By County

School and Hospital Rates  
Slated to Decline  
For 1951-52

The 30 cent increase in the basic Nevada County tax rate, bringing the total to \$2.60 per \$100 assessed valuation will be offset locally by a sharp reduction in the Tahoe-Truckee Unified School District bond retirement and the Tahoe Forest Hospital requirements. The Truckee rate, inside the sanitary and fire districts, will be \$5.52 as compared to \$5.83 last year.

This is according to tentative figures released by County Clerk R. E. Deeble, who bases his report on budgets submitted and which will be considered by the board of supervisors on Monday.

Another reduction, which will not be reflected in the figures, will result from the lowered assessment by the Truckee Sanitary District which last year quadrupled the county assessment.

The board will make final decisions August 20 and the tax rate will be fixed September 1.

**Fire Budget Up**  
Under tentative budget expenditures, the local rates will range from \$4.85 for those outside the fire and sanitary districts to \$5.52 for property within those areas.

The fire district is asking for an increase of .12 this year.

The biggest drop locally will be in the Tahoe-Truckee school district's bond retirement which will go from .89 last year to .36 currently. High school maintenance will be .75, the same as last year, and the elementary school maintenance rate of .80 will also be the same, making a total of \$1.55 for local school operation. Truckee's school bond tax, applicable to bonds required for erection of the local elementary school, will remain at .04.

Other comparable figures follow:

	New	Old
Cemetery District	.04	.07
Hospital District	.09	.14
Hospital Bonds	.04	.11
Sanitary Bonds	.00	.05
Fire District	.40	.28

**Other Rates**  
The rate for Florissant, including the basic \$2.60, will be \$4.68 within the hospital district and \$4.55 with the hospital excluded.

On Donner Summit the rate varies from \$4.69 outside the Donner Summit Public Utility District and hospital district to \$5.32 with both districts included.

**County Costs**  
Nevada County's 1951-52 budget will be \$3,419,232, an increase of 2.7 per cent over that of the previous year. The tentative figure was announced by Deeble this week.

The largest item in the \$89,678 increase is \$23,500 for salary boosts.

## SANITARY DISTRICT GIVING TAXPAYERS CHANCE TO PROTEST

Directors of the Truckee Sanitary District will meet as a board of equalization at the office of the clerk, Joe Mattos, Tuesday, August 21, and Tuesday, August 28. Anyone desiring to complain regarding their assessment is invited to attend the sessions and discuss the matter with the board. Dave Rose is president of the board and will preside.

While the tax rate will remain the same as last year, the quadrupled assessment will be eliminated, thus giving the taxpayer a deep slash in actual cost.

A new source of revenue for the district was provided when the board made an agreement with Richard Joseph, owner of Gateway Shopping Center, to permit the latter to tie in on the system through facilities of the Tahoe Forest Hospital District. A monthly connection charge was agreed upon.

The latter concession was made through an agreement between Joseph and the hospital board in which the latter acquired a block of property immediately behind the new hospital site for possible future expansion of hospital facilities. The original site was donated to the district by Joseph.

## Blanche Gage Returns From College Course

Blanche M. Gage, third grade teacher in the Tahoe-Truckee Unified School District, has returned after attending the elementary school workshop in physical education at San Francisco State College. This workshop covers all the latest techniques and educational procedures for elementary school physical education instruction.

**In Susanville**  
Mrs. Ray Scott and daughters, Theo and Patricia, are visiting in Susanville this week.

## Boy Scout Drive Will Be Started Here August 24

The annual drive for funds for the Boy Scouts of America will get underway here on Friday, August 24, according to J. E. Walker, local chairman. The drive committee will meet at the California Cafe at 8 a.m. for a kick-off breakfast before starting the campaign.

"We hope for generous response," Walker said. "The Boy Scouts is the greatest single deterrent to juvenile delinquency in America today. It is sound economics to support the Scouts, since it costs far, far less to maintain a boy in Scouting than it does to correct a juvenile delinquent."

The money raised here will go to the Tahoe Area Council, which embraces Placer, Sierra and Nevada Counties. Funds are used for merit badges, promotions for Scouts, summer camps, administration, etc., and 97 1/2 per cent of the money raised is used in the area, which serves over 2,000 boys.

The drive will extend over Truckee, Kings Beach, Tahoe City and the Donner district, which embrace several Boy Scout, Cub Scout and Explorer groups.

Meeting with the committee on Tuesday night at the old high school building were Ray Ewan and Del Raby, council officials from Auburn. Walker said the following will aid in the drive here: Lee Nisbet, Bob Gifford, Earl Stice, Gene Riden, N. F. Dolley, Bill Curran, Clarence Beavers, Mrs. Foster Wilson, Mrs. Les Deckwa and others.

## WM. (BOB) COOPER DIES IN HOSPITAL; SERVICES FRIDAY

Funeral services for William (Bob) Cooper, 77, a Truckee resident for the past several years where he operated a "fix-it" shop in the rear of the business section, will be held tomorrow afternoon at 2 o'clock at the Truckee Colonial Mortuary. Interment will be in the Truckee cemetery.

Cooper died at a Nevada City hospital Tuesday night. He had been in ill health for a long time and was taken to the hospital July 31 following a stroke.

So far as is known, Cooper leaves no relatives but he had many friends here who will miss his friendly greetings.

## Farewell Party Given For Arthur Walters

A farewell party for Mr. and Mrs. Arthur Walters was held at Sierra Tavern Friday evening and a large gathering of friends of the popular couple bade them a jolly goodbye.

Mr. and Mrs. Mike Richards of Sacramento have purchased the hotel and took over the active management yesterday. Mrs. Richards and their two children, Erlene, 12 and Joe, 9, will arrive in the near future and will occupy the Walters' former apartment. The two children will enroll in the elementary school here.

The Walters are leaving soon and before establishing a permanent residence, will enjoy a vacation.

## Work Started on "40" Flood Damaged Sections

Harms Brothers, Sacramento contractors, have started work repairing Highway 40 east of here where it was damaged by flood water last winter. Only short traffic delays are being encountered by motorists as the contractor is taking steps to prevent tieups.

## Three New Buicks Delivered by Osburn's

Three new Buicks were delivered this week by Osburn's Buick Garage, marking the 16th new car sale this summer by the local firm. Dr. C. C. Cozzaglio has a new two door Special, Dan Cavagnaro is driving a Riviera Special and Don aid Vennewitz took delivery of a four-door Super sedan.

Clarence Osburn said he had other orders and is awaiting a new shipment of Buicks from the factory.

## Forest Fires In This Area Keep Crews On Jump

Human Causes Rate 100  
Per Cent In Fires  
This Week

Local Forest Service crews battled three blazes this past week in the Truckee-Tahoe area.

On August 11 a fire at Meadow Lake subdivision near Gateway, believed started by a carelessly tossed cigarette, was held to a very small area due to prompt action by residents of the area.

On August 13, the suppression crew from the Wm. Kent Campground at Lake Tahoe and volunteers from the Tahoe City fire department suppressed a one-tenth of an acre fire in the logging area of Alton Jacks, 1 1/2 miles west of the Tahoe Tavern.

August 14, a fire of ten feet square was reported by an aerial mainliner to the Reno station and relayed to Truckee. The fire was spotted on a mountain top near Ellis Peak, west of Chambers' Lodge. Assistance by the airplane on its return trip to the city in circling the fire brought about quick suppression. A careless camper apparently had built his fire on top of a decayed log, thinking it was dirt.

"The two most critical fire months are still in front of us," warns W. F. Curran, fire control assistant. "Lack of rain has made the forest cover extremely inflammable. Smoke only in safe places, use your ash tray, be sure to contact your local forest service headquarters for a fire permit before starting your camping trip. When you build your campfire make sure you have a permit, you're building it on mineral earth, you're never away from it as long as it's burning, your fire is small enough not to cause alarm—and BE SURE IT'S OUT BEFORE LEAVING."

## FIRE CHIEF ASKS CITIZENS OBSERVE FEW SIMPLE RULES

Shortly before 9 o'clock last Friday night, a fire starting in a defective kitchen flue badly damaged the Raymond Roberts house at the east end of River Street. The response of the Truckee Volunteer Fire Department confined the damage to the rear of the house.

Curious and "eager to help" non-firemen somewhat hampered the department in their efforts. Chief N. F. Dolley urgently requests that:

- (1) All traffic going to the scene of a fire delay 10 minutes to allow the fire truck and authorized fire fighters free movement
- (2) Everyone refrain from using their telephones for at least 10 minutes after the siren sounds to permit members of the department to learn the location of the fire. This information is given them through the telephone exchange.
- (3) Non-members of the department, except forest service fire personnel, refrain from joining the fire fighting unless specifically requested to do so by an officer of the department.

Dolley added that the next time it is necessary to remove a vehicle from in front of a fire hydrant to connect hose, the operator of that vehicle will receive a citation and be prosecuted to the fullest extent of the law.

## Girl Camper's Leg Broken In Tumble Near Summit

Sharon Durnell, eight year old Lincoln girl, fractured her left arm Tuesday night when she fell from a bridge 12 feet to the ground on Donner Summit while attending a girls' camp. She was treated by Dr. L. D. Nelson.

## Mrs. Titus in Hospital, Operation Due Today

Mrs. Frank A. Titus, pioneer Truckee matron, was taken to St. Mary's Hospital in Reno Monday and today was scheduled to undergo surgery to relieve a gall bladder condition. Her many friends here are hopeful that her recovery will be speedy and complete.

## Sun Beams

by Walter M. Jarrett

Their unselfish efforts in managing the Truckee baseball team during the past several years have earned for Dick Little and Tom Dolley the sincere thanks of the community. Both these men have neglected their business and other activities to devote a large part of their time to baseball. This has not been done without hard work, personal expense and sacrifices, and their only reward lies in the knowledge that they have accomplished a good job. While both are retiring, temporarily at least, from active participation in the sport, they can, we hope, still be counted upon to lend a hand and offer counsel in the future of baseball in Truckee. We join the rest of the community in saying thanks to Tom and Dick.

## OFFICERS CHECK AS PROWLER IS REPORTED HERE

Constable N. F. Dolley and Deputy Sheriff Wesley Fair were called to two separate residential areas Monday night to investigate a report that a prowler was attempting to enter homes.

R. O. Guymer, who lives south of the Truckee River, said the family was alarmed by the sound of someone attempting to enter the rear door of their home about 9:30 p.m. Guymer armed himself with a rifle and flashlight and discovered a man near the house, he told Dolley. He fired one shot without taking accurate aim and the man fled.

A short time later a report was received from the vicinity of the old high school and Fair and Dolley responded without finding a trace of the culprit.

## TAHOE GUN CLUB FALL SHOOT SET FOR SEPT. 7, 8, 9

KINGS BEACH—The Lake Tahoe Gun Club of Kings Beach has set the dates of September 7, 8 and 9 for its annual Fall A.T.A. Shoot, according to John Rayburn, chairman.

There will be six big shoots, sponsored by large organizations in the Kings Beach and Crystal Bay area, with \$1650 added money and \$500 worth of trophies.

A Calcutta auction and dinner will be held at Cal-Vada Lodge, Crystal Bay, on Saturday, September 8.

This shoot has attracted many prominent trap shooters from all of the Pacific Coast states. George Meyers of Carson City proved to be the dark horse in the 1950 event, winning most of the handicap shoots, 16 to 25 yards.

## Lions Hear "Y" Leader On Youth Delinquency

Rudy Abrecht, YMCA executive from Carmichael, last night gave members of the Truckee Lions Club a clearer understanding of the problems of juvenile delinquency and those concerned with child welfare. He cited statistics and individual cases to illustrate his remarks.

Guests at the meeting were John Roberson, Truckee; R. W. Ashley, Reno; A. L. Davidson, Kennett, Mo.; Nello Baldocchi, Antioch; Mel Throp, Kings Beach; Ed Lowell, Sacramento; Ray Mc Cartney, Whittier; Freeman Campbell, Arcadia; Orlan Johnson, Oroville.

## Committee Heads Named At 20-30 Club Meeting

The Truckee 20-30 Club met last night at Smitty's with Jack Ellis presiding. The appointment of standing committee chairmen occupied the business session with the following being named: Paul Archer, attendance; Cliff Ellis and Skip Ferdinand, projects; Earl Smith, education and fellowship; Harvey Hocker, housing; James Leamon, publicity.

Mr. and Mrs. Harry Barnes and daughters, Donna and Virginia were visitors in Marysville and Yuba City Sunday.

## American Legion May Take Over Baseball Project

Dolley and Little Quit As  
Managers, Promise  
Future Help

Possibility that Truckee Post No. 439, American Legion, will assume the responsibility for keeping baseball a leading sport in this area, looms today as the result of dissolution of the sponsors of the past few years.

A dinner meeting, marking the conclusion of the 1951 season, during which the team played independently while on a year's leave of absence from the Placer-Nevada League, was held at Cozzi's Cafe Saturday night when Managers R. N. Little and N. F. Dolley definitely announced they are giving up the regorous project.

Dolley had previously announced that he would continue to lend all possible assistance to any responsible successor in keeping the field in playing condition and in any other way he can but was definite in his statement that he would no longer attempt to manage a team.

Little also agreed that he could be counted upon to assist but that the stress of his business and the time consumed in baseball activities is proving a heavy chore and he will not assume the responsibilities of operating the business end of a baseball club.

**Not New Idea**  
The idea of sponsoring baseball originated with the American Legion, but at the request of the Outing Club, which was hopeful for a summer recreational program to supplement its winter sports, the Legion gave up the idea. With the fate of baseball's future here now in the balance, the veterans have virtually unanimously agreed that they will take up the reins.

Several Legionnaires, including Frank Giovannoni, Al Wakefield, John Rau and others are active on the team and others are vitally interested in the sport.

**Seeks Support**  
At the last meeting of the post the matter was discussed and a committee is working out details with the thought of re-entering the Placer-Nevada League or some other nearby circuit next season. Assurance that public support can be expected is being sought.

## TAHOE JUSTICE FINES COOK \$850 FOR SET LINES

TAHOE CITY—Justice of the Peace C. W. Vernon seems to be getting plain tired of having so many cases of set line angling violations coming into his court. Last Thursday, Yee Quan, a cook employed in a home near here, appeared on a charge of having nine set lines with four hooks each, and fishing without an alien license. The combined charges brought a fine of \$850. Yee was cited by fish and game wardens who were out on a special patrol looking for set-line violators.

## Pastor Here in 1926 Visitor This Week

Rev. Anzac Anderson, pastor of the Baptist Church at West Sacramento, accompanied by his wife and daughter-in-law, Prof. and Mrs. Bernhard Anderson of Rochester, N. Y., visited briefly this week. Rev. Anderson was pastor of the Community Church here in 1926 and will be remembered by many local residents. Rev. Anderson's son, a teacher in a Rochester college, has just been acclaimed for his work in writing a book, "Rediscovering the Bible."

## Tollefson in Northwest After Christmas Trees

C. A. Tollefson writes from Medford, Oregon, that he is in quest of Douglas fir Christmas trees and that the forests in that area are closed because of the fire hazard. He will cover most of western Washington and Oregon before returning home.

## Truckee Traffic Reaches Record Mark For Month

Over One Million People  
Cross State Borders  
During July

A new all-time high for the number of vehicles entering California through Truckee was established during July when the crew at the quarantine station here checked 53,709 automobiles, 2,804 trucks and 841 buses for a total of 57,354 vehicles with 155,029 passengers.

July and August are generally the peak travel months through the Truckee station, W. C. Gage, inspector in charge, said, although September is also usually a busy period.

As during the past three months, Truckee was second as a point of entry into the state for motorists, being exceeded last month only by Yermo which had a total of 58,799 cars.

Stateline on Highway 50 reported 14,479 cars, 200 trucks and 59 buses were checked while Brockway had 5,399 cars, no trucks and one bus.

With the exception of Yermo, Truckee travel nearly doubled any other station of the 18 manned by the state department of agriculture.

More than a million people were checked through California's border stations during July, the department reported.

The exact figure, the department said, was 1,102,909. They came in 353,153 automobiles, 22,270 trucks and 4,577 stages.

## TRUCKEE DRIVER CHARGED AFTER TUESDAY MISHAP

Wiley L. Ledbetter, 32, Truckee sawmill worker who has been employed at Hirschdale, was arrested Tuesday afternoon on charges of driving while intoxicated and hit-and-run resulting in injuries, following a collision between his car and a motorcycle operated by William Raymond Mattson, 43, San Diego.

The accident occurred a mile east of Truckee at 3:45 o'clock on Tuesday afternoon, according to State Patrolman William Gautsche, who investigated.

Gautsche said that, according to witnesses, Mattson passed the Ledbetter machine traveling west. The latter speeded up and soon again overtook Mattson who motioned the driver by. Mattson told the officer the car apparently started to pass and the next thing he knew he was thrown into the side of the road and was taken to Dr. L. D. Nelson for treatment of injuries.

District Attorney Vernon Stoll is expected here Monday to conduct a preliminary hearing.

## ACCIDENT IS FATAL TO JACK DANFORTH

Jack Darwin Danforth, 38, died yesterday in a Reno hospital from injuries suffered in an automobile accident near Tahoe City last Friday. Details of the mishap will be found on Page 3 of today's Sierra Sun.

He is survived by his widow, his mother, three brothers and three sisters. Funeral services will be held Monday at 2 p.m. in Forest Lawn Cemetery, Los Angeles.

## Swimming Party Given On Girl's Birthdate Here

Shirley Patton was seven years old yesterday and to commemorate the event her mother, Mrs. J. W. Patton, arranged a birthday party. Fourteen neighborhood children were invited to join in a swimming party at Donner Lake beach, following which refreshments were served at the Patton home. Everyone voted the affair entirely enjoyable.

## Reno Employers Ass'n Will Meet with C. of C.

Members of the Reno Employers Council will attend the meeting of the Truckee Chamber of Commerce tonight at 7 o'clock in Goodfellows' Coffee Shop. A number of important civic matters will be discussed and anyone interested is invited to attend.

## Man's Leg Is Broken In Logging Accident

In a logging accident on Ward Creek at Lake Tahoe Tuesday afternoon, Vincent Ford, 21, Truckee, had his left leg broken when a tree top fell and pinned him to the ground. He was brought to Truckee by the Tahoe City ambulance and after first aid treatment by Dr. L. D. Nelson was removed to a Reno hospital by Truckee ambulance.

## NORTH TAHOE

by THELMA BURROUGHS

Overlooking Lake Tahoe's shore from Carnelian Bay is the home of Ellen Hanson, a wonderful place for her daughter, Diane, and son-in-law, Bob Cluff, of Sacramento to vacation for a short while. They're here now, enjoying this all too short time of summer vacationing before Diane goes back to teaching at Galt High School while Bob returns to his employment with a Sacramento finance company.

Nell and Don Barkhurst will be happy to welcome their friends, Pat and Johnnie Olsen of Portland, for a short visit over this weekend.

The Woman's Society of Christian Service is still in possession of a few articles left from their

bazaar last week at the Bohme Hardware Store in Kings Beach, where Mr. B. has given them permission to leave same for future disposal. Anyone interested should go by to see if there is anything that he can find a use for.

Richard Lavery has occasion to make frequent trips to Auburn each week in line of duty. There have been a number of homes broken into recently and culprits, mainly juveniles, brought to justice by Constable Lavery.

Fulton Burley, popular Irish tenor, is stopping at Bonnie Beach Resort during his engagement at the North Shore Club.

Traffic by our place would indicate that Lake Tahoe is enjoying a capacity crowd this season. Everyone I see appears to be entirely busy to more than grunt hello. This applies to locals only. Vacationists are having the time of their lives. Never saw so many people at Tahoe in one season before. So cheer up, you weary workers, this is just what we wanted, prayed for and got. Now let's give thanks.

Tahoe Amusement Ltd., under management of Frank Coombs, at Kings Beach and Carnelian Bay comes in for its share of visitors each day. Andy's Boat Rentals says, by the way, they're catching a lot of fish this year and Fremier's Sportsman's Port has every appearance of Ocean Park, Venice or Santa Monica. All we need now is a trolley running along the side of the highway from Carnelian Bay to Kings Beach. Believe me, this is a very busy area.

## Yugoslavia Repatriates Greek Children

In compliance with recommendations of the United Nations General Assembly, Yugoslavia has been repatriating to Greece a number of Greek children removed from their homeland during the post-war guerrilla struggle in that part of the world. Above, one of the touching scenes which took place near the Greek frontier station of Ithomeni upon the reunion of a mother with her two children.

## Distributor is Fined For Gasoline Switch

KINGS BEACH—Wallace Watkins, oil company distributor, was fined \$200 when he appeared before Justice of the Peace Harry Charrison on a charge of violating section 20849 of the Business and Professional Code. He was specifically charged with substituting regular gasoline for ethyl. After Watkins pleaded guilty, \$150 of the fine was suspended.

The complaint was filed by Lowell Martin of Sacramento, senior investigator for petrol products.

## North Tahoe Man Faces Reno Driving Charges

RENO—Alfred J. Hendricks, 60, Kings Beach, was free on \$500 bail pending hearing on charges of reckless driving as the result of an accident in Reno Friday evening.

The Hendricks' vehicle was identified as one which collided with the car driven by Iris M. Sasse of Reno. Hendricks was arrested through identification of a license plate, officers said.

Mrs. Sasse's little girl fell from the automobile seat as the result of the crash and suffered a bumped head. The youngster did not require medical treatment.

## SCOUTS AT LAKE

Grass Valley Troop 4, Boy Scouts, made a one-day outing to Meeks Bay last Tuesday. The 17 Scouts making the trip enjoyed horseback riding, swimming, boating and a speedboat ride from Meeks Bay to Emerald Bay and back.

## FLORISTON

by C. A. FELESINA

Donald Rose of Watsonville is visiting at the home of Mr. and Mrs. Carl Leisure.

Mr. and Mrs. Frank Seymour motored to Coleville last week to visit Mr. and Mrs. Jack Herrington. They brought the two Herrington daughters, Jackie and Joyce, back for a visit here.

Mrs. Beulah Murray, formerly teacher at Mina, is visiting Mr. and Mrs. Lester Felesina before going on to Silver Peak where she is to teach this coming year.

Mr. and Mrs. Don Rinaldi and children, Nancy, Linda and Jimmy, of Delano are visiting at the Wesley Craig home.

Mr. and Mrs. Julius Smits and Mr. and Mrs. Willis Burroughs and children spent Sunday in the Yuba City area.

Mr. and Mrs. Lester Felesina spent the weekend at Yerington visiting Mrs. Felesina's sister and family, Mr. and Mrs. Thomas Julian.

## RENO TRAFFIC CHIEF TELLS ROTARIANS ABOUT VIOLATORS

HOMEWOOD—The regular meeting of the Tahoe City Rotary Club was held Tuesday at Home-wood Resort. President Don Snyder conducted the meeting and introduced the guest speaker, Capt. Lou Spitz of the traffic department in Reno.

Spitz gave a most interesting talk and various demonstrations of the different types of people that violate the traffic laws. He especially criticized the women and their various ways of trying to make the traffic policeman believe that he is the one that is wrong, not she. His talk was most humorous, yet nevertheless quite factual.

Sixty-four attended the meeting, 47 being guests.

Next week's Rotary speaker at the August 21 meeting will be Thomas Robert Edward Jr. of San Francisco. His topic will be "Fire Protection and Prevention."

Nine of ten forest fires are started by man. BE CAREFUL! KEEP OUR FORESTS GREEN!

## The EASY-DOES-IT CORNER

by HENRY LOEHR

### Corner-Post Anchor Made From Old Harrow Disk

We heard about this clever corner-post anchor (below) that will stand a lot of fence pull—prevent sagging. Thought it might interest you.

Incidentally, you can add years to the life of any fence post by dipping it in Standard Wood Preservative. It seals the pores in all types of wood touching

ground—fights the causes of wood decay.

Apply it the same as ordinary creosote to grapestakes, fence posts, mud sills, underpinning, hop poles, etc. You'll find it pays to apply Standard Wood Preservative a foot above the ground to retard fungus and rot. Call us about it. Serving your needs promptly is our aim as local businessmen.

### SCHLUETER WILL BE MEMORIALIZED AT OUTDOOR CHAPEL

TAHOE CITY—Rt. Rev. Bishop Noel Porter has set Sunday, August 26, as the date on which one of the giant cedar trees in the beautiful forest surrounding the Episcopal Outdoor Chapel will be dedicated to the late Theodore Schluter of Tahoe Park. A name plate will be attached to the tree at special ceremonies to be held following the 11 o'clock Sunday services. Schluter passed away at his Tahoe home on June 14 at the age of 78 following 13 years residence at the lake. Bishop Porter announces that all Rotarians of the lake area, their wives and friends are especially invited to attend, as Schluter was instrumental in the establishment of the North Tahoe Rotary Club in 1947, now known as the Tahoe City Rotary Club, and served as its first president. He was also a former president of the Truckee Rotary Club from 1940 to 1941. He had been a member of the Oakland club since 1916, later transferring to the Los Angeles and Richmond clubs.

His widow, Mrs. Fern Schluter, who continues to operate Schluter's Cabins, will be present for the ceremony.

### TAHOE HOME BURGLARIZED

Burglary of the David S. Jacobs home at Lake Tahoe was reported to Washoe County, Nev., sheriff's deputies last weekend. Entry was made some time Saturday evening through a bathroom window. The burglar ransacked the place, making off with a vacuum sweeper, electric oven, two bottles of whiskey, two cases of beer and a complete set of table silverware.

### TRI-COUNTY WOMEN MEETING TODAY IN RESORT AT LAKE

TAHOE CITY—A capacity crowd is anticipated at the Tri-County Women's Clubs summer conference to be held at Homewood Resort on Thursday, August 16. The morning session starts at 10 a.m. with luncheon to be served at 1:30, a fashion show to be staged during the repast. The afternoon session is scheduled to end at 4 o'clock. Guest speaker of the day will be the state president, Mrs. Almer C. Stolp.

Women's clubs of El Dorado, Placer and Nevada Counties, including ladies of the Truckee Wye-thia Club and the North Tahoe Women's Clubs, will be guests.

Mrs. Louise Geier is chairman of arrangements for the day for the hostess club, the Women's Club of Tahoe.

### Henrikson Brothers Plan Building Projects

TAHOE CITY—Charles and Oliver Henrikson of Lake Forest have purchased a piece of highway property next to the Barney Morrow home in Tahoe City and plan to erect a plant for their sand and gravel contracting business.

The lot is 40 feet wide and 343 feet deep and will house an office building on the highway as well as a large warehouse and garage for their trucks at the rear. Work will start at once and continue until snow falls. The property was purchased from F. A. Kilner and Company of Homewood and Tahoe City.

### MAN AND WIFE ARE BADLY INJURED IN AUTO ACCIDENT

TAHOE CITY—Mr. and Mrs. Jack Danforth, employees of Cal-Neva Resort, were critically injured Friday morning, August 10, at 7:45 o'clock after the wrecking of their 1949 sedan about a mile and a half north of Tahoe City. They were rushed to Reno hospital by Tahoe City Ambulance where they remain patients.

The car was declared the worst looking wreck ever brought into the Tahoe City Garage by the AAA service here. The frame was bent almost in half where it was wrapped around a huge pine tree. While no statement has been taken from the injured, it is believed the sheriff's office in Reno will question the Danforths as soon as their condition permits.

The car apparently swerved off one side of the road and then careened across the highway, turn-over and wrapped itself around a big pine tree. An approaching car avoided a collision by pulling off to the side of the road and stopping.

State Patrolman Tom Sheehan, who was summoned, declares that Danforth was the more critically injured when he was thrown into the back seat. Mrs. Danforth sustained numerous deep head and facial cuts and bruises. Friends who visited the pair in Reno on Sunday declared the man received a broken collar bone, shoulder blade and pelvis, with fractures in his ankles and legs too, as well as multiple bruises.

Because of the severe condition of shock the injured were in, it could not be immediately determined who was driving.

### HOPE TO CONTINUE TREND DOWN IN HUNTING ACCIDENTS

SAN FRANCISCO—With the first of California's series of hunting seasons under way, the state division of fish and game has announced the cost in human life and limb of last year's search for game.

Nineteen California nimrods lost their lives in 1950 and non-fatal firearms accidents accounted for 54 injuries. The figures are compiled from newspaper clippings and fish and game warden reports.

Deaths due to heart attacks, drownings and mishaps other than gunshot wounds claimed eight of the 19 lives lost in 1950.

Casualty figures showed a sharp drop from California's 1948 report when its 89 accidents topped all states in the nation. Twenty-four hunters were killed from all causes in the field in 1949, with 38 hunting deaths reported in 1948.

More than half of the year's fatal gunshot wounds were inflicted by persons under the age of 21, according to the division of fish and game.

"Watch your step with a loaded gun" is the general theme of a series of six colored hunting safety posters now being distributed by the division.

The 12 by 18 inch drawings bear admonitions to "look before you shoot," "keep your gun clean" and "watch that muzzle." The poster campaign is sponsored jointly by the state agency and the Sporting Arms and Ammunition Manufacturers' Institute.

A set of six individual posters will be mailed without charge to sportsmen's groups, license agents and other organizations engaged in safety education on written request to the division of fish and game, Ferry Building, San Francisco.

Although explorations have been made to a depth of 450 feet in Moaning Cave, Calaveras County, the bottom of the cavern still has not been found.

### Hawaiian Night Success; Hollywood Party Set

HOMEWOOD—August 8th was the date for the 7th annual Hawaiian Night celebration at Homewood's popular Hut. Mr. and Mrs. Edgar Myers, the hosts, had over 1,000 orchids flown in from Hawaii especially for the guests' pleasure. Eight orchid leis of 30 flowers each were presented as prizes for the best costumes.

R. H. Strosnider, Tahoe Cedars realtor, presented the Myers with a special bouquet of Hawaiian lilies in honor of the occasion.

From all reports, Hawaiian Night at The Hut surpassed all the other special nights which have made The Hut one of Tahoe's most enjoyable night spots. The Myers promise more deluxe parties this season and cordially invite all to join in the fun.

For instance, Wednesday night, August 22, The Hut will "Go Hollywood." Guests are invited to appear in dark glasses, bright shirts, slacks, etc. Prizes will be given for the "most promising Hollywoodites."

### SPEEDBOATS AT FAIR

Thrilling speedboat races will be held on the giant aquatic course in the race track infield both Sundays during the California State Fair August 30 through September 9.

### FATHER AND SON RESCUED AFTER 10 HOURS IN BOAT

TAHOE CITY—Details of the dangerous and painful experiences which occurred Tuesday, August 7, to Bryan Averitt, manager of the Meeks Bay Theater, and his 11-year-old son, Denny, reached Tahoe City friends over the weekend.

Averitt and his son left Meeks Bay in his 16 foot runabout in midmorning for Bijou. They reached their destination without event and started the return trip at 5:45 p.m. Stiff winds were rising and the water was rough so Averitt started cutting in toward shore near Emerald Bay, planning to follow the shoreline home.

He knew the boat had been undergoing minor repairs earlier in the week but didn't know that he had a faulty gasoline. It wasn't long before he realized that he was losing as much gas as he was using and shortly after this discovery the motor died. One big wave washed over him and the boy, drenching them to the skin. Neither was dressed warmly, the boy clad in

swim trunks and tee shirt and Averitt wearing slacks and sport shirt. They drifted for some time and fortunately their clothing dried out as they waited. While daylight lasted they signalled with a flag he kept in the boat.

Averitt tells of the next anxious hours as they clung together to keep warm and prayed that help would come.

"We were both terribly cold after the sun went down and the water continued rough. We piled the cushions around us and everything we could find in the boat, which was little. I signalled after dark with my spotlight but didn't keep it up steadily because I wanted to conserve my battery. The boat was equipped with an automatic bilge pump and if we should have been swamped we would need the pump badly, so I signalled regularly at intervals hoping someone would spot us. I've been in tight places before and my training as an aviator stood in good stead. We didn't get panicky but tried to do the sensible thing at the moment. Our worst discomfort was the intense cold.

"About 1 a.m. another boat hove near and we thought we would be rescued at last but it went on. I later learned it though we were one of the search boats. I knew too that the Coast Guard would be notified when we failed to return on time and I had every confidence that they would find us sooner or later. It was at 3:30 a.m., almost 10 hours after we left Bijou for home, that the Effie Moon, a Meeks Bay boat piloted by Slim Sayer, who was accompanied by Mr. and Mrs. George Cummings, spotted our drifting craft and came alongside. We'll never see a more welcome sight if we live to be 100.

"My only real worry during our unfortunate marooning was for my wife. We were friends of the folks who drowned at the south end a year or so ago and I knew she would be sick with worry. I only wish to say that I am extremely grateful to the members of the Coast Guard and all our wonderful neighbors and friends who consoled and comforted her until we were returned home safely. I can't ever thank them enough."

Coast Guard Flotilla 61 was called around 9:30 that night and notified of the missing boat. Immediately Vice Commander Fred Main of Tahoe City set out in a big cruiser, while four other speedboats followed. They searched the length and breadth of the lake until the rescue. Lake Tahoe residents are both fortunate and grateful for this friendly service which answers the call for help at any hour of the day or night.

### TO CASTRO VALLEY

Before leaving their home at Lake Forest for Castro Valley, Mr. and Mrs. Ward Knapp entertained her brother and sister-in-law, Dr. and Mrs. James Cushman, Dayton, Ohio; Mrs. Hamilton Haney, Berkeley, and Mr. and Mrs. Roger Himes and daughter, Sandra.

### NOTICE OF FINAL HEARING ON COUNTY BUDGET

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of Nevada, State of California, will meet on Monday, August 20th, 1951, at the hour of 10 o'clock A.M., in the Chambers of the Board of Supervisors in the Court House, for the purpose of considering the final budget of the County of Nevada for the fiscal year 1951-52. A copy of the final budget is available in the Office of the County Auditor and may be seen by any person desiring to view it.

Any person desiring to appear for or against any of the allotments as set forth in said budget is invited to attend said meeting of the Board of Supervisors on the above date and discuss the same before final approval is ordered; which final approval must be made on or before August 31, 1951.

### Tahoe Weather

TAHOE CITY—The level of Lake Tahoe on Monday morning was 6228.23 feet with 14 gates open.  
Observer A. E. Frodenberg reports the following daily high and low thermometer readings:  
Aug. 6th: 76, 37; 7th: 74, 38; 8th: 77, 41; 9th: 79, 42; 10th: 80, 41; 11th: 75, 42; 12th: 78, 36; 13th: low, 38.

### LOGGING FIRM FINED FOR VIOLATION OF COUNTY 'SLASH' LAW

TAHOE CITY—On August 6, Purdy Brothers, logging contractors, were cited by a Tahoe National Forest officer for violation of the Placer County logging ordinances pertaining to the cleaning up of brush, etc. They were charged with failure to pile brush in specified time, failure to cut down snags and failure to maintain an adequate tool cache with which to fight fires. The law specifies that sufficient tools for 10 men must be kept on hand at all times.  
Justice of the Peace C. W. Vernon fined Purdy Brothers a total of \$700, suspending all but \$100 providing they cut down the snags and pile the brush before the end of August.

Logging operations have been conducted by the firm for some months in the vicinity of the Nook-chester Mine and Quail Lake.

### THOUSANDS WITNESS RACES ON SUNDAY AT CHAMBERS COURSE

CHAMBERS LODGE—Several thousand spectators lined the shores of Chambers Lodge or relaxed in moored speedboats on the water to witness the only regatta of the season held by the Lake Tahoe Yacht Club Sunday. The races got under way at 9:40 a.m. with perfect weather and water conditions prevailing. Fred Main was the announcer and Dave Chambers was on hand to serve as starter.

The Lake Tahoe Championship race went to Henry J. Kaiser's Fleur-du-Lac, driven by his mechanic, Max Collins. Dick Scott of Piedmont, owner and driver of Little Benny, came second, and Lemme-Go-First, driven by Kaiser himself, went third.

Ladies' championship went to Miss Gloria Mapes of Reno in the Gloria M, with Prunella, entry of Mrs. J. J. Hawkins of Reno second and Raha, entry of Allen Steltzer, San Francisco, driven by Janet Moore, third.

The 325 HP event went to the Lemme-Go-First, driven by Kaiser, with Brad Baruh of San Francisco second in Shooting Star and Larry Metcalf, San Francisco, in Teelot third. The 165 HP race was won by Prunella, driven by Randy Walker of Reno; the Gloria M was second, driven by Charles Mapes of Reno and Allen Steltzer's Raha came third.

The 130 HP went to Steltzer's Raha with Bruce Dohrman of San Francisco second in Miss Guided Missile and Jay Murphy of San Francisco third in Toss.

The Bang-and-Go-Back race was taken by Murphy in Toss, with Brad Baruh runner up.

Most exciting race of the day was the new feature added by the Lake Tahoe Yacht Club for the first time last year. It was the outboard event for youngsters, those 12 years and under, operating 5 1/2 HP and those between 12 and 16 operating 10 HP, both races run simultaneously. Winner of the

5 1/2 HP was Danny Best, Mickey Washburn taking second and Ni Orsi, Sacramento, third. The 10 HP winner, who received the gorgeous perpetual trophy donated by R. Stanley Dollar Jr., was Pat Patterson, George Staum taking second and Lewis A. Marsten Jr. of Sunnyside third. These youngsters displayed splendid sportsmanship and performed like veterans.

Mrs. Rudolph Zimmerman, wife of the commodore, presented the trophies to the winners after the races were finished at the pier. At a luncheon meeting of members of the Lake Tahoe Yacht Club at Chambers' Lodge on Saturday all officers of the club were retained unanimously for the coming year.

Only mishap of the day occurred when fire threatened the hydroplane of William Stead who tried in vain to get his speedy craft into the championship race but it failed to start. After the big event he got the motor running and started around the course to give the crowd a chance to see how speedy it was. About midway on the back lap, flames shot from the cockpit and Stead, who wore the compulsory life preserver all contestants must don, leaped into the lake while his boat continued on aflame without a driver. Other craft nearby gave chase and soon had the boat under control, applying fire extinguishers. Stead himself was rescued in time to assist with the job. He was unhurt and the damage was not believed to be too severe.

### Woman Pays \$300 Fine For Drunk Driving

TAHOE CITY—Mrs. Betty Byers, Taft, was fined \$300 after pleading guilty before Justice of the Peace C. W. Vernon to a charge of drunk driving. She was cited by State Patrolman Tom Sheehan on Friday morning, after the automobile she was driving left the highway on Dollar Grade and became wedged in a pile of rocks. The accident occurred at 7:30 that morning. The car was badly damaged.

How to make good telephone service even better....

Long Distance service is faster when you call by number

You'll find your Long Distance Operator can put your call through much quicker if you give her the out-of-town number you want... rather than just the name and address. That way, you see, you won't have to wait for her to get the number from "Information" in the town you're calling. So why not start a Long Distance list... by jotting down the number when the operator reports it to you.

look 'em up - jot 'em down - then call

You know, it's awfully easy to get telephone numbers "turned around" in your head. So to get the right number, it's a good idea to look it up in the telephone book... jot it down on a slip of paper... then make your call.

SURE, a trim new Buick makes a mighty pretty picture when you see it in your driveway, or watch it wheel by.

But if you could get a mechanic's-eye view of this big, broad beauty as it sits on a lift, you'd see an impressive picture of rugged brawn that makes good-to-look-at Buicks give such a good account of themselves on the road.

You'd see the full-length torque-tube drive that firms the whole power relay system, and steadies your going like a giant hand beneath you.

You'd see big sturdy wheels with really wide rims that provide surer footing, give better car control, make tires last longer.

You'd see all four wheels cushioned by stout coil springs that are completely service-free, practically breakproof—and a principal reason for the ever-level Buick ride.

But mainly, you'd see the massive foundation that backbones every Buick—

the deep, wide, X-member frame that's rugged as a rock, and a brute for strength.

So when you look at the beauty of a Buick—the big mileage power of its valve-in-head Fireball Engine—and the moneysaving ability of its Dynaflo Drive\*—don't overlook the tough stamina that goes with it all.

And don't overlook the fact that a new '51 Buick, with all its heft, costs less per pound than any other car of comparable size, structure and weight.

Better come see us first chance you get—and find out what a smart buy this is—from every angle.

Equipment, accessories, trim and models are subject to change without notice. \*Standard on ROADMASTER, optional at extra cost on other Series.

No other car provides all this:

DYNAFLO DRIVE\* • FIREBALL ENGINE • 4-WHEEL COIL SPRING • DUAL VENTILATION • PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE • WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING • BODY BY FISHER

Tahoe City, August 13.

Dear Tahoeites:

This last week our safety record was smashed to smithereens with the tragic wreck which occurred about a mile and a half north of Tahoe City. The car was registered to Jack and Lillian Danforth, who are reportedly employed at Cal-Neva Resort. So terrible was the wrecked car in appearance that it had to be towed into the back yard of the Tahoe City Garage in order to prevent further wrecks from occurring to those who gazed and gazed again at the gruesome sight as they drove by. How anyone could escape alive from that twisted mass of steel is a miracle. Danforth was thrown into the back seat and sustained numerous bone fractures and is in a critical condition, while Mrs. Danforth is reported recovering. The second accident which occurred about the same time in the morning—7:45—found another car piled into the rocks on Dollar Hill; its driver, Mrs. Betty Byers of Fresno, W. J. Eagen of San Francisco had his auto badly damaged when another motorist drove out into the highway in front of him from a side road. Both cars were damaged.

Understand plans are nearing completion for the big Catholic Bazaar and Buffet supper to be held August 30 at the Brockway Shops Building at Kings Beach. There will be numerous booths filled with desirable merchandise, the proceeds to go to the Catholic parish which embraces Kings Beach, Tahoe City and Truckee.

Mrs. Marie Henry, a member of the Placer County board of health this week makes available the health report for the county for July, with only two cases of chickenpox registered from Tahoe for that month. Miss Mary Matula, P. H. N., assumes her duties as director of public health nurses for the county July 7. Her past history shows her well qualified for the position. She received her academic education at the University of Michigan and professional training at Hurley Hospital School of Nursing at Flint, Mich. Her subsequent experiences include the Genesee County Health Department at Flint; Ingham County Health Department, Mason, Mich.; 3½ years in the Navy nurse corps during the last war; the North Dakota State Health Department and recently the Inyo County Health Department, Independence, where she was nursing supervisor.

Ran into Mrs. Sam Goss the other day and am glad to report she is gradually regaining her eyesight. Progress is slow following an operation on her eyes last February and she believes she eventually will see again. Their daughter, Mrs. Chris Burmer of Santa Cruz, accompanied by her children and husband, visited at the Goss home in Lake Forest. Burmer had the misfortune to have his leg broken some weeks ago, a woman backing clear across the street in Santa Cruz and running him down. Mrs. Burmer's brother, Blake Goss, is now residing with them in Santa Cruz.

The C. W. Vernon building in Tahoe City received a new coat of gray paint recently, adding greatly appearance of the "city".

Celebrities have been noted at various spots around the lake during the past week with Bob Hope and Marilyn Maxwell and a companion guests for dinner at Forest Inn on Ward Creek Friday evening. Louella Parsons is reported to be vacationing at present at Cal-Neva and the beautiful Ava Gardner is being anticipated almost daily.

A celebrity in another field who visited the lake on Sunday briefly with old friends here was Friedl

Pfeifer, famous ski instructor from Sun Valley and Alta, Colo. He was up at Squaw Valley and dropped in at the A. M. Henry home in Tahoe City before departing.

Will ring off for the week with a cheery adios to all. As ever, Swanee.

**Return from Hospital**

Mrs. William Bechdolt and new daughter, Cheryl, have returned home from St. Mary's Hospital in Reno to their Tahoe City home.

**From State Capital**

Mrs. Rodney Yeakle and young son of Sacramento are at Tahoe for a week's vacation at Lake Forest.

**Mortimer Guests**

Recent guests at the George Mortimer home in Tahoe Park were Miss Mary Punnel, niece of Mrs. Mortimer, and her friend, Miss Maude Norris. Both are from Cleveland, Ohio, where they teach school. They are touring the west and stopped off at Tahoe for several days. Other guests were Les Lunsden of Fresno and Mrs. Lucy Burrows and Mrs. Martha Landis of Reno.

**Visit with Father**

Mr. and Mrs. Hugh Purcell and son Teddy of Saratoga were vacation guests at the home of her father, Charles Swanson, of Tahoe City last week.

AIR FORCE ASSISTANCE TO FLOOD VICTIMS—Soldiers from Forbes Air Force Base at Topeka, Kansas, worked 24-hour duty to help strengthen a threatened levee when raging flood waters endangered the Topeka and Kansas City areas. Right, Air Force "swampbuggy" (a light draft boat powered by an airplane propeller) is loaded with supplies for flood victims. This was an effective means of transportation over inundated streets.

## FISH, GAME DEFINES POLICY REGARDING PLANTING OF FISH

SAN FRANCISCO—Methods by which the state may "supply the best possible fishing for the greatest number of California anglers" have just been put down in black and white by the fish and game commission.

Under the title, "Policies for the Management of California Inland Water Fisheries," the commission has officially adopted a set of principles which "with a minimum of restrictions and regulations shall insure a continued supply, fair distribution and proper utilization of inland fish resources."

The sweeping master plan for better fishing was compiled by Chief Alan C. Taft of the bureau of fish conservation and his staff. Prior to the commission's adoption of the new doctrine, copies were sent to conservation groups for their suggestions, some of which were later included in the final version.

Taft explained that most of the written fish management details are now practiced by the division of fish and game, but that the conservation program was outlined in order to "keep the public posted on when we're heading."

Some of the policy items may raise the eyebrows of those of California's one million anglers who have not kept up with the conclusions of scientific studies to provide more fish for more anglers.

"Artificial propagation is a useful and important part of trout management and will be used where necessary and helpful. It is not, however, a universal answer to all fishery problems, and will be subject to constant checks to determine the results obtained."

"The planting of catchable-sized trout is more effective in easily accessible roadside waters, especially lakes, and they will therefore be given first priority. Due to the cost, catchable fish shall not be planted unless a larger number, usually over 50 per cent, will be taken by anglers."

"... it is not deemed necessary or worthwhile to produce large numbers of the warm water fishes (black bass, bluegill, catfish, etc.) for repeated plantings. After an initial plant, success is more dependent on food and water conditions. . . . Hatchery production of warm water fishes shall therefore be limited to the needs

## My Place In the Sun

by DOUG BARRETT

It was 15 years ago Monday, August 13, 1936, that the Barretts got out their first Sierra Sun. . . . we've enjoyed it. . . . hope you have too. . . . Two former publishers still are prominent in the affairs of our fair community. . . . Cecil Edmunds, manager of the Public Utility District. . . . and Postmaster E. C. Bavie. . . . Art Cook was over in Lake County Sunday to participate in the early deer hunting season. . . . which is what he did. . . . hunt period. . . . Game Warden Tom Borneman totting a sturdy looking saddle. . . . and then sticking it in the back of his vehicle. . . . Bud Owens installing a red parking light atop Paul Rausch and Son's garbage lorry. . . . Vern Shattuck enthusing about the Jeep he just acquired for hunting and fishing jaunts. . . . Ca-bona's store getting some tidy gold leaf window signs to identify the place at street level. . . . since the remodel job, the only place "Ca-bona's" appeared was on top of the marquee. . . . The George Kas-pian residence glistening with a recent coat of fresh paint down Brickletown way. . . . Tony Mayer polishing up the windows at the post office after hours. . . . Mrs. Dan Smith and Mrs. Claire Ellert enjoying the balmy evening in a car parked in front of The Toggery. . . . chatting and watching the passing parade. . . . In line for birthday best wishes this past week were Mrs. Lucille Bick and Mrs. Oscar Schumacher. . . . along with Marvin Tackett, who was 12 on the 14th and Shirley Patton who passed 7 on the 15th. . . .

## Fire Damage at Circle E Repair is Completed

Repair of the June fire-damaged roof of Mrs. Bob Euer's home at the Circle E Ranch in Euer Valley was completed by Chase Harper of Big Chief last week, making it possible for her to move from a guest cabin to entertain the "singing cop", Highway Patrolman George Stinson, and wife of Fair Oaks. They were accompanied by Folsom's police chief, Babe Johnston, his wife and son, Dennis.

Later guests were Paul and Thelma Dunlop with Dean and Zona Fletcher, hikers from Berkeley, Mr. and Mrs. Archie Palmer and Miss Evelyn Palmer, also of Berkeley, who enjoyed the fishing

YOU can prevent forest fires!

for stocking barren waters, together with such fish as can be obtained through rescue work.

"When warm water fish species are established in suitable waters, no further stocking is necessary."

"Steelhead trout and salmon management will be concentrated on the maintenance of an adequate breeding stock and on maintenance of suitable spawning and natural rearing of the young to migratory size."

The comprehensive policy statement will be printed by the division later this year and illustrated copies will be available to sports fishermen when they purchase their 1952 angling licenses.

## Notice to Taxpayers

NOTICE IS HEREBY GIVEN that the Board of Directors of the Truckee Sanitary District will sit as a BOARD OF EQUALIZATION on Tuesday, August 21, and Tuesday, August 28, 1951, for the purpose of equalizing the assessment rolls of the Truckee Sanitary District, at the office of the Clerk of the Board.

NOTICE IS HEREBY FURTHER GIVEN that any taxpayer of said District who desires to file any objection to the assessment made by the District Assessor, may appear before said Board on the above dates between the hours of 8 p.m. and 9 p.m. and present their objections, or said assessment will remain the same as set out in full on the rolls of the District as prepared by the District Assessor. JOE MATTOS  
ag16-23 Board Clerk

## Death Every 3 Hours On State's Highways

SACRAMENTO—One person was killed every two hours and 52 minutes in a traffic accident in California last year and one was injured every five minutes and 31 seconds, the California Highway Patrol announces. The averages are based on the 3,034 persons killed and the 95,096 injured in traffic accidents in 1950.

Only constant caution and rigid

adherence on the part of every motorist to all traffic laws and the rules of the road will reduce the state's mounting traffic toll, the patrol declared.

"That conclusion is inescapable," the patrol said. "Each driver is responsible for his own safety. He must have his car under complete control at all times and ever be on the alert for any emergency. Carelessness or inattention for even a fraction of a second may lead him to disaster."

### Sisters Plan Convention, District Deputy's Visit

The Pythian Sisters held their regular meeting last Thursday and the forthcoming convention was discussed, with plans being made for it. The date has been changed from September 6 to September 13. Mrs. Pearl Heller, district deputy, will make her official visit to Summit Temple August 23. All officers are urged to attend and be early to practice.

### Brockway Resident Injured in Accident

Tucker T. Ellis, 54, driver for a Reno laundry, who resides at the Brockway Hotel, was injured this morning at 4:30 o'clock when his truck got out of control just east of the Flycasters curve and overturned. State Patrolman Roy Stallard is investigating. Ellis was taken to a Reno hospital by Truckee ambulance with severe head injuries.

### Frank Finnegan Leaving County for Capital City

The Nevada County legal circle will lose one of its most capable and popular members October 1 when Frank G. Finnegan, member of a pioneer family that settled in the county in 1852, leaves Nevada City to join a Sacramento law firm. In the capital he will be associated with the law firm of Butler and Reckers.

#### Southern Visitors—

Mr. and Mrs. Freeman Campbell and son Barry of Arcadia are guests of the Wm. Englehart's J this week.

**ATTEND HEARING**  
Dr. L. D. Nelson, Constable N. F. Doley and Justice of the Peace Foster Wilson yesterday were attending an industrial accident hearing at Nevada City involving a fatal well accident near Soda Springs several months ago.

#### From Sacramento—

J. H. Sanders, former captain with the fish and game commission and long-time resident of Truckee, was visiting friends here this week from Sacramento.

#### From Capital—

Mr. and Mrs. Ed Lowell and niece, Miss Sharon Totts, of Sacramento are visiting at the Wm. Englehart Sr. home this week.

### Juvenile Problems Aired At Rotary Club Meeting

Rotary Club of Truckee met on Monday evening at Smitty's where 36 members and guests were present and Rotarians were guests of Ira Gifford, owner of Truckee Resort.

Gene Metteer, program chairman for the evening, introduced Rudy Abrecht of Carmichael, who spoke on youth problems and the part service clubs play in developing youth in the community to eliminate delinquency.

Guests attending the meeting were Bruce Kuehn, Steve Kovich, L. W. Ferdinand, Roy Stallard, J. R. Wolert, Frank Forrest, L. L. Chamberlain, Fred Jacobsen, J. B. Waggoner, Charles Hayward, Art Hornegger, Herman Schmidt and E. V. O'Rourke.

Next regular meeting on August 20 will be held at the regular meeting place, Donner Lake Lodge. The regular meeting on August 27 will be held at Idlewild Park in Reno in conjunction with the annual Reno Rotary barbecue.

### Bishop Porter Speaker At Women's Session

Bishop Noel Porter of Sacramento who will be the guest speaker before members of the Wyethia Club at 8 p.m. tomorrow evening has chosen for his inspirational talk the title "View from Above."

Hostesses for the evening will include Mesdames Lee Nisbet, Hal Gilson, Gene Welch, Daniel Hornman, Rex Reid, and Joseph Alameda, all of Donner Lake.

#### Here with Nephew—

Mrs. Vera Casey and Mrs. Ada Martin of Oakland are enjoying a visit here this week with their nephew, William Porter.

#### Visiting Cousin—

The Misses Jacque and Gill Sanders, twins of Sacramento, are spending the week as guests of their cousin, Miss Jesse Rablin.

#### Scott Guests—

Guests at the Ray Scott home here over the weekend were Mr. and Mrs. John Van Horn of Sacramento.

#### Visit Franzini's—

Mr. and Mrs. Lonnie Hendricks and four children of Placerville were guests of Mr. and Mrs. Maurice Franzini last Sunday.

#### Mountain Viewers—

Mr. and Mrs. James Welch and sons, John and Charles, and niece, Sally Ann, of Mountain View are vacationing at Lake Tahoe and visiting local friends.

#### Guidis Visit—

Mr. and Mrs. Lillio Guidi of Roseville were recent guests of Mr. and Mrs. August Sassarini. Guidi is a former resident, having attended local schools several years ago.

#### Two Years Date—

William, son of Mr. and Mrs. August Sassarini, celebrated his second birthday on Saturday, August 11, with a decorated cake and gifts presented to him for the special occasion.

#### To Oregon—

Mr. and Mrs. Fred Oetjen of Mountain View were the weekend guests of Mr. and Mrs. James Leamon en route to Oregon where they will also visit relatives.

#### Birthday—

A birthday cake was cut at a family gathering in honor of Harold Langille in his home Tuesday evening, August 14.

#### Twins at Kamps—

Mr. and Mrs. George F. Kamp have as their guests her sister, Mrs. Stanley Graham and children, Richard and Jacqueline, Gregory and Gail, of Merced. The children are two sets of twins, one and three years of age.

#### Luncheon at Auburn—

Luncheon, followed by a four-course of bridge is being enjoyed by Mesdames B. J. Riordan, Harold Langille and Tony Ghirard, who are guests today of Mrs. Carl Weeks in Auburn.

#### Florida Guests—

Mrs. J. Knight and sons, Freddie and Randy of Florida and her mother, Mrs. O. S. Parrett, of Escondido, Calif., were guests this week of Dr. and Mrs. L. D. Nelson.

#### Leave for Bay—

Mr. and Mrs. Richard George of Alameda were weekend guests of Mr. and Mrs. R. N. Little and returned home with Barbara and Mary Vertner, who have been visiting their grandparents.

#### CARD OF THANKS

We wish to thank the Truckee volunteer fire department and the Forest Service for their work in saving our house on River Street last Friday night.  
RAY and HAZEL ROBERTS

# Tarzan

by EDGAR RICE BURROUGHS

ANGERED BY A BRUTAL BABOON'S ATTEMPT  
TO ABDUCT A NATIVE WOMAN, TARZAN  
LEAPED FROM THE TREES TO DO BATTLE!

TONGANI, THE  
BABOON, FOUGHT  
DESPERATELY,  
BUT SOON  
SUCCUMBED  
TO THE FURIOUS  
ONSLAUGHT OF  
HIS WHITE-  
SKINNED ENEMY.

TARZAN TURNED TO THE NATIVES. "YOU WHO  
SPEAK THE APE LANGUAGE, WHY DO YOU BOW  
BEFORE A BABOON?" THE LEADER SIGHED.  
"WE MUST --- TONGANI WAS CHOSEN BY  
NUMA, THE EMPEROR AT THE PALACE  
OF GOLD!"

THE APE-MAN WAS  
SHOCKED. A LION!  
YET, IT WAS LOGICAL  
THAT THE KING OF  
BEASTS SHOULD  
BE EMPEROR.

TARZAN THEN CALLED NANCY BROOKS FROM HER HIDING  
PLACE. "I MUST INVESTIGATE THIS PALACE, YOU'LL  
BE QUITE SAFE WITH THE NATIVES UNTIL I RETURN."

TARZAN WARNED THE  
VILLAGERS. "FOR  
YOUR PROTECTION,  
I GO TO HIDE THE  
CARCASS OF THE BABOON.  
DO NOT HARM THE WOMAN!"

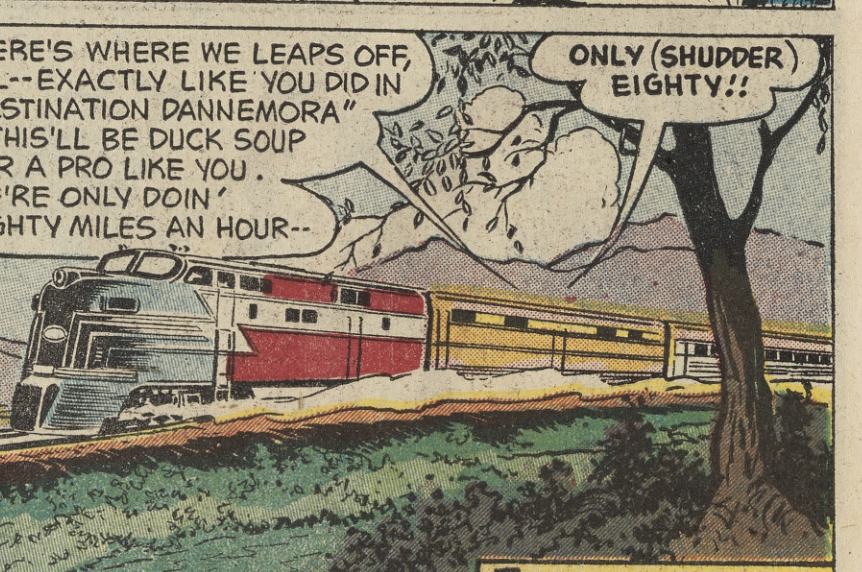

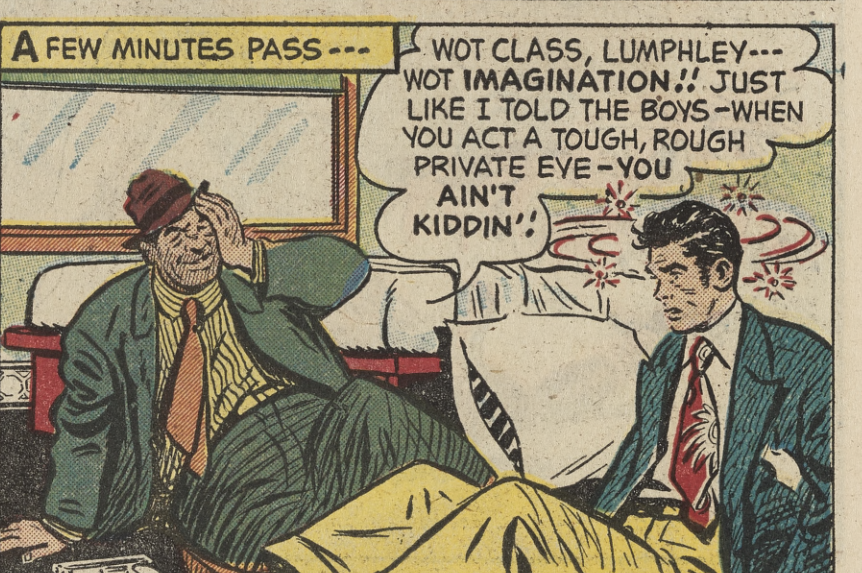

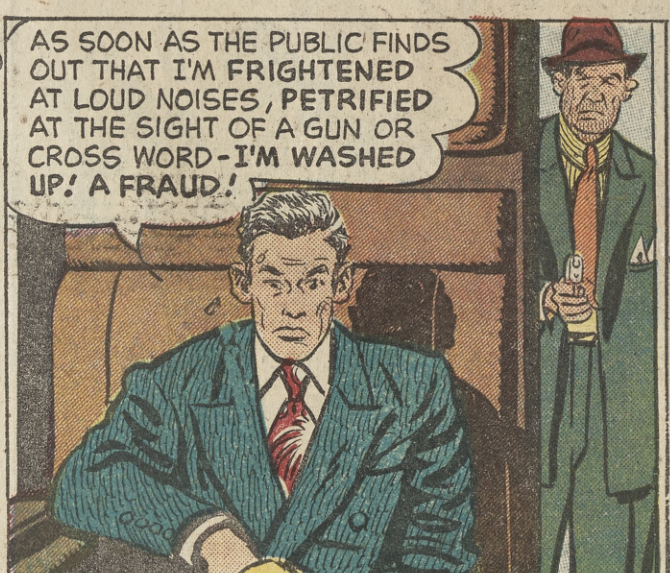

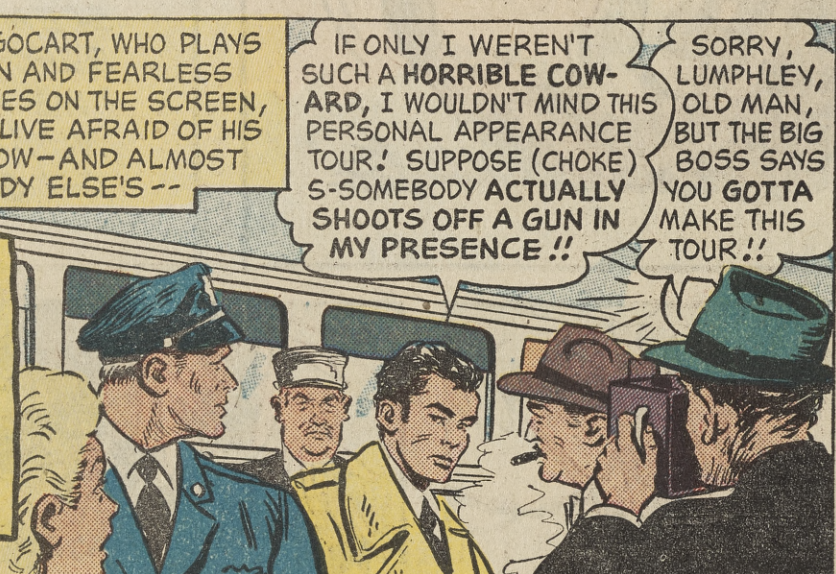

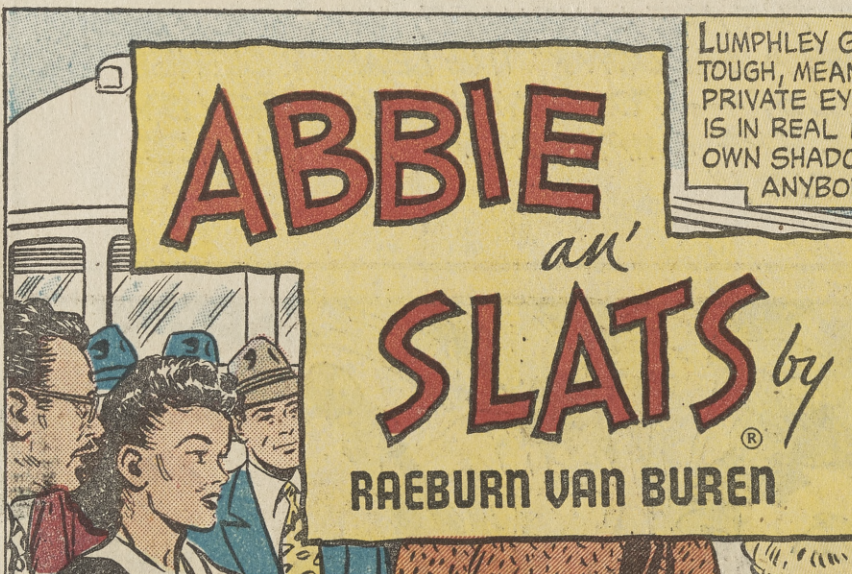

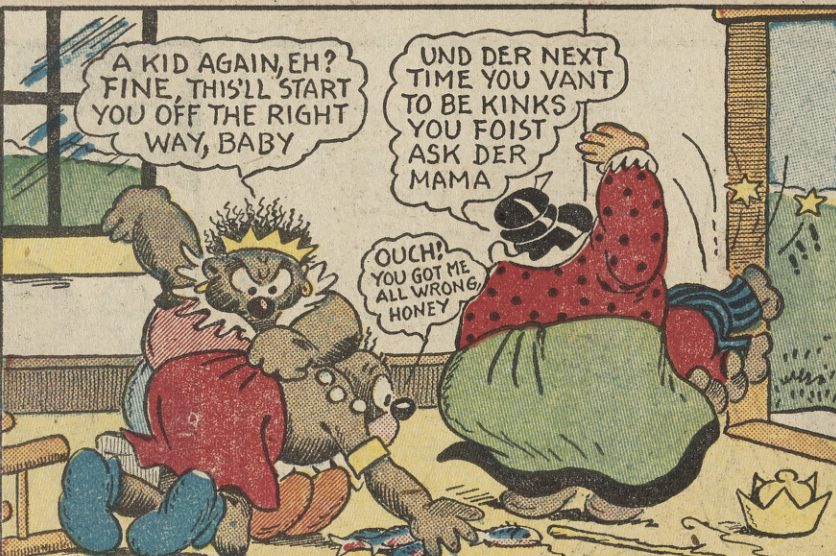

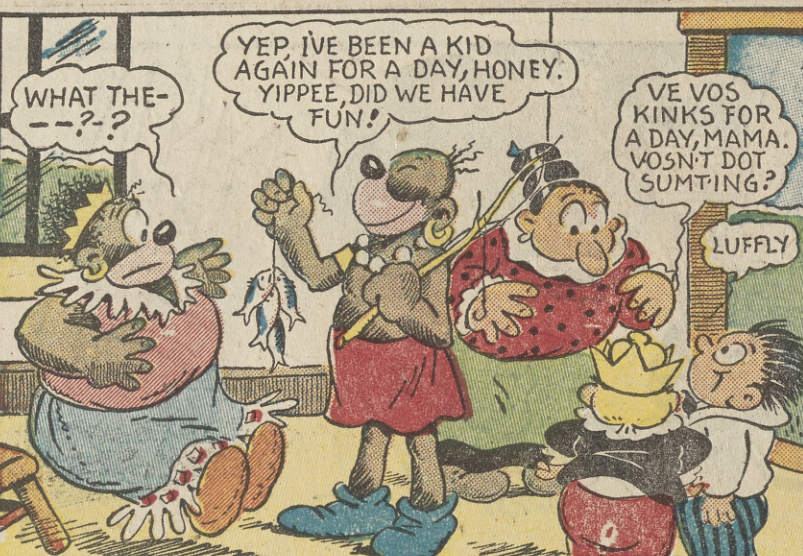

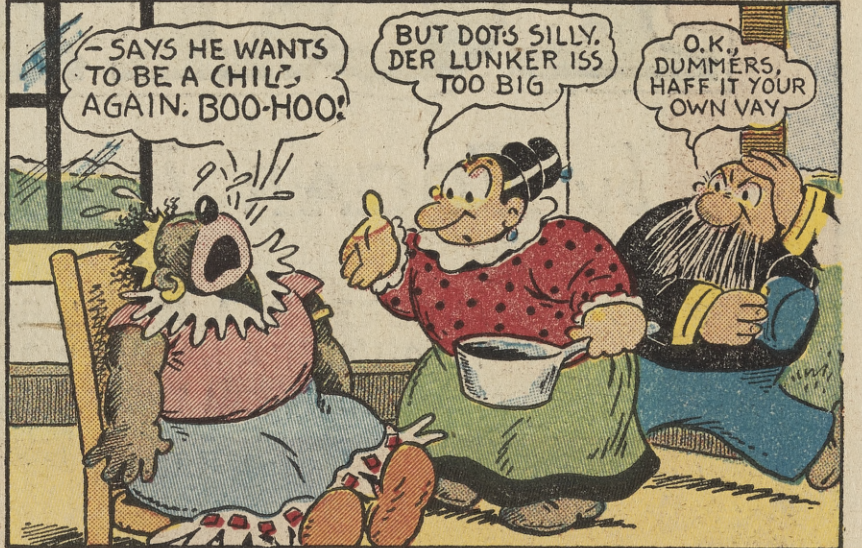

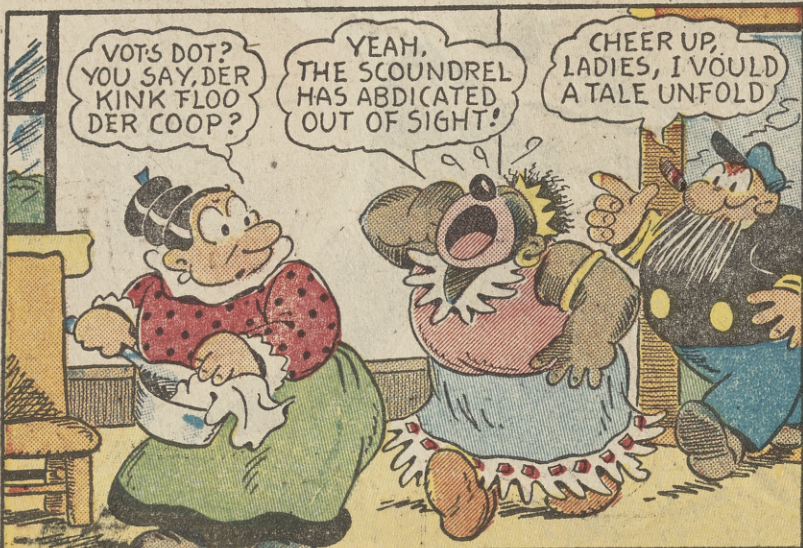

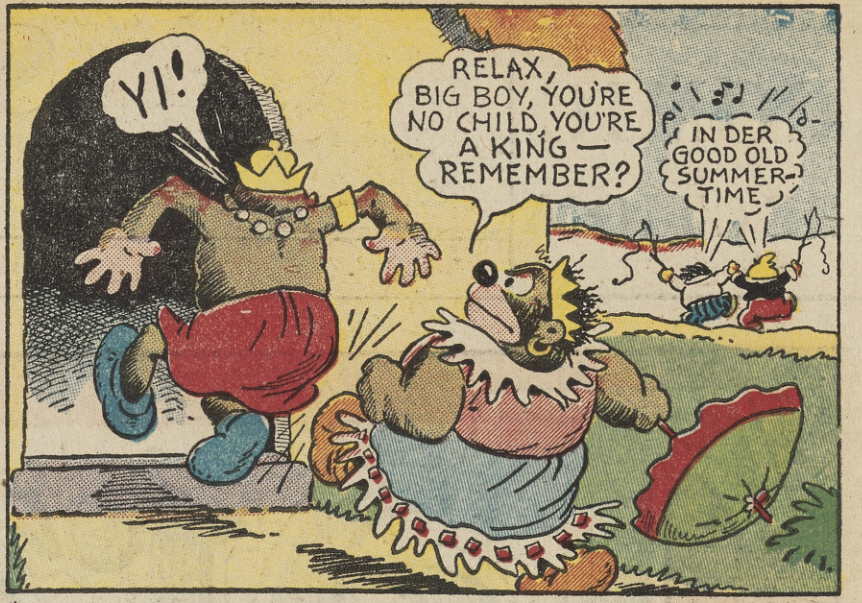

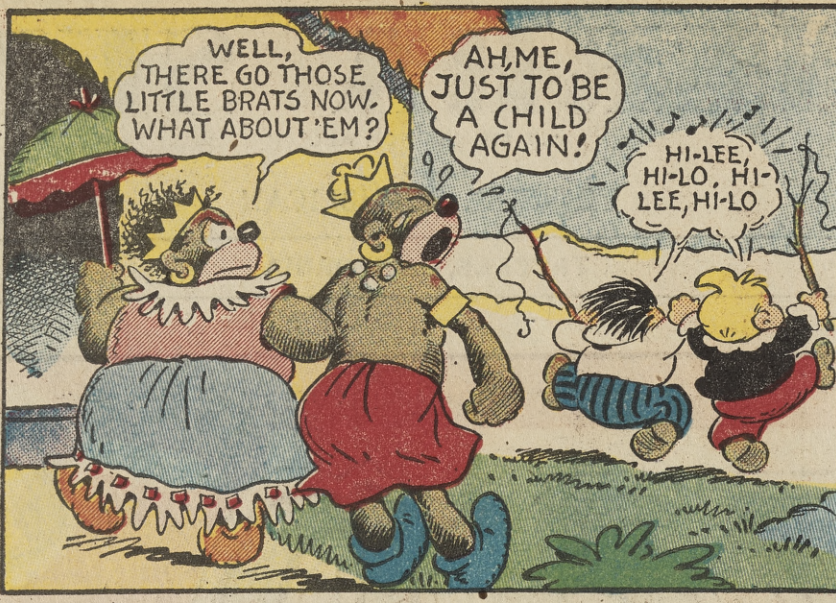

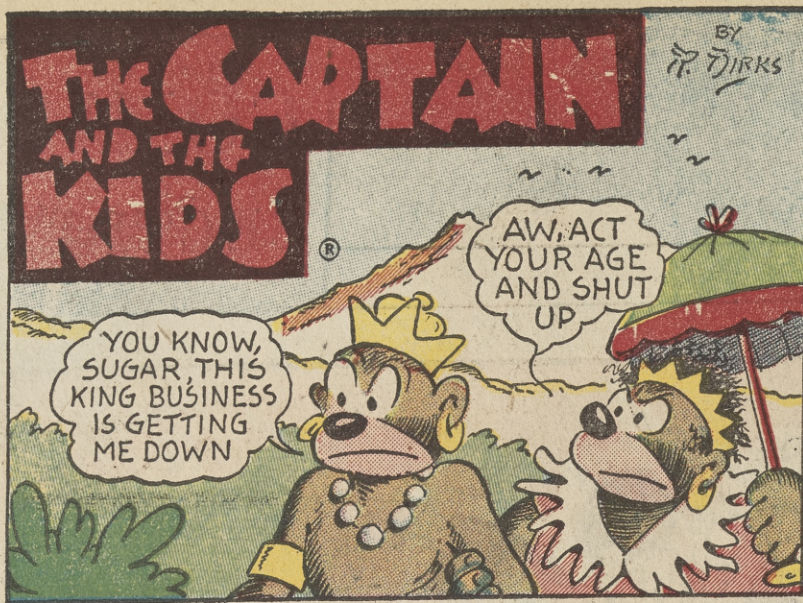

BOB  
Jellens  
and DICK VAN BUREN

BUT LATER, THE SPOKESMAN  
AROUSSED THE OTHERS.  
"WHY SHOULD WE TRUST  
HIM? COME, LET US TAKE  
THE SHE TO THE PALACE ---  
THEN NUMA WILL FORGIVE US  
FOR THE DEATH OF TONGANI!"
